WRITING AND IMAGINATION

Writing and Imagination

RESEARCH - Choose an ocean creature that lives in NZ waters. Find out more about it.

IMAGINE / THINK - If your chosen creature could talk, what would it say? Consider what the creature would see, hear, feel.

WRITE

- Create creature content about your creature. First read one or more of these [Creature content examples from SeaWeek](#). Then create your own interview questions and answers from your chosen sea creature.
- OR write a story about a day in the life of your chosen sea creature.
- OR create a kahoot with 5-10 questions with facts about your chosen sea creature.
